

**Free \$50 Bond Contest Quiz**

We are starting something new in this issue. We are doing it to draw attention to our Quick Phone Numbers At a Glance that is found on page 8. Even the questions in the quiz are formulated from the At a Glance ads appearing above the quiz. The result is to make the advertisers that appear there much more conspicuous and more noticed.

Those advertisers that are underlined have already paid the \$75 for a whole year. Those that have not paid yet face a 30 day deadline to pay or pay a new yearly rate of \$150, double the current charge. The new rate is still a bargain for a whole year, even at twice the current price.

The increased traffic for the \$50 Bond Quiz should be alot of fun and pay off for everyone over the long haul. Please let us know what you think! W.C.
